Mongrel Boots are the originators of the zip side style of work boot. First introduced in 2006 with just one style, Mongrel 'ZipSiders' are now category leaders in Australia. The Stone ZipSider Boot w/ Scuff Cap features a YKK zipper, moulded PU scuff cap to promote longevity, temperature regulating lining and an OrthoTec PU footbed for correct arch support. Also featuring our renowned AirZone Comfort System, a padded tongue and collar, Coats Nylbond stitching and a slip, oil & fat resistant TPU/PU ToughSider sole. Made in Australia. Certified to Type 1 AS/NZS 2210.3.2009 class 1.
